

## Rainout Policy

### Day Passes and Session Passes

If a game is incomplete under WBSC rules on the date of purchase, then one of the following rain check rules will apply:

- If less than 5 innings of a game (4 1/2 if the home team is ahead) are played, your paid ticket serves as a rain check coupon and will be valid for the re-scheduled game. This ticket exchange must occur before the re-scheduled game is made up.
- If more than 4 1/2 innings of any game are played in that session and a game is postponed or becomes official, rain check policies **do not apply**.
- Complimentary tickets may not be exchanged or refunded under any circumstances and are invalid for use at the rescheduled game.

### Tournament Passes

If a game is incomplete under WBSC rules and the purchaser of the game ticket is a tournament pass, then one of the following rain check rules will apply:

- Purchasers of tournament passes are deemed fulfilled if 60% of tournament games have been completed.
- Should 60% of tournament games not be completed, but the **final Championship game has been played**, then it is deemed that the obligation has been fulfilled and rain check policies **do not apply**.
- Should 60% of tournament games not be completed and the **final Championships cannot be played**, then only the original purchasers of the tournament pass are eligible for refunds under the policy. The refund will be prorated based on the number of completed days.
- Refunds will be paid by completing and submitting the following Rainout Redemption Form by August 1, 2016.
